About This Game

*Before the Speed Heroes arrived to DASH Planet, King Slap's horde of two-dimensional platformer enemies were (fairly) content in their slimy and jelly-like bodies. Now, after all the head-jumping and diamonds disappearing King Slap and his army are fed up with the Heroes. Every day more diamonds disappear on the planet. Every day King Slap's army grows. Every day new Heroes arrive to the planet in their own dimension to show their speed and agility. Welcome to the Galaxy of Speed where only the fast and wise will survive the spikes, walls and tongues of the expanding worlds of **DASH: Danger Action Speed Heroes**.*
